### Characteristics

|                   |      |
|-------------------|------|
| VSA voor lamptype | PL-C |
|-------------------|------|

### Algemene informatie

|                   |                                                                      |
|-------------------|----------------------------------------------------------------------|
| Artikelnummer     | 224581                                                               |
| EAN               | 8719157002714                                                        |
| EOC FR            | 002714                                                               |
| Merk              | Noxion                                                               |
| Fabrikantnaam     | Noxion Philips Xitanium LED Driver 44W (for LED Panel Delta Pro 33W) |
| Aanbevolen aantal | 1                                                                    |
| Garantie          | 6 jaar                                                               |
| Levensduur (uur)  | 0                                                                    |

### Technische Informatie

|                    |           |
|--------------------|-----------|
| Technologie        | Accessory |
| Output Voltage (V) | 42        |

### Sensor Informatie

|            |             |
|------------|-------------|
| Sensortype | Geen sensor |
|------------|-------------|
