### Algemene informatie

|                   |                                                                                   |
|-------------------|-----------------------------------------------------------------------------------|
| Artikelnummer     | 238302                                                                            |
| EAN               | 8719157012782                                                                     |
| EOC FR            | 012782                                                                            |
| Merk              | Noxion                                                                            |
| Fabrikantnaam     | Noxion LED Panel Removable Surface Mounted Kit 300X1200mm (For all Noxion panels) |
| Aanbevolen aantal | 10                                                                                |
| Garantie          | 6 jaar                                                                            |
| Levensduur (uur)  | 0                                                                                 |

### Technische Informatie

|             |           |
|-------------|-----------|
| Technologie | Accessory |
|-------------|-----------|

### Afmetingen

|                       |          |
|-----------------------|----------|
| Afmetingen LED Paneel | 120x30cm |
| Hoogte (mm)           | 70       |

### Sensor Informatie

|            |             |
|------------|-------------|
| Sensortype | Geen sensor |
|------------|-------------|
